PUERTO VALLARTA BEACH CLUB & VILLAS

Puerto Vallarta, Mexico

Nestled in a tropical jungle, the Villas are separated and secluded from each other by dense, lush vegetation. Perched on the best part of Puerto Vallarta's famous Los Muertos Beach, the Villas are far enough from the noise and commercial businesses, but just a 4 minute walk to all the shops, restaurants and lively night life. The ultimate in beachfront living, each Villa enjoys approximately 2,500 to 3,600 square feet of gracious, indoor-outdoor living, completely furnished and extravagantly equipped. Truly a unique and private paradise, the property is the only one of its kind on the entire Mexican Riviera. To enhance the solitude and tranquility of this paradise, only children over the age of 15 years are invited unless all the Villas are rented by the same party.

Though the Beach Club is under separate ownership from the acclaimed Villa Verano, the same superb service, incomparable location, and detailed management can be expected. The staff, personally trained at Villa Verano, surpasses the already elevated standards and reputation of the esteemed Villa. Many of the ideas and suggestions from its guests over the past 23 years are being utilized and integrated into the Beach Club, creating one of the most personalized private vacation resorts on the continent.
