This luxurious 4,500 sq.ft. oceanfront villa consists of 3 bedrooms, and 3 1/2 baths with all rooms open to the sea breezes with views of the ocean from almost every room. Modeled after the old colonial style architecture with high ceilings, massive beams and tiled floors, each room is beautifully decorated with antiques and paintings by local and regional artists. The large living room with beautiful beam ceilings, Mexican artifacts and lots of sitting areas, is perfect for entertaining or enjoying the Direct Satellite TV/VCR, with nearly 100 videos and CD's to choose from. You may also want to just relax around the private pool while being served your favorite beverage by your English speaking houseman/bartender. There is also direct access to a small sandy beach 200 yds. to the south. All three bedroom suites have luxurious tiled bathrooms and all have TV/VCR's, air-conditioning, mini-fridge and monogrammed robes. The master bath opens onto a garden terrace and has a whirlpool tub and separate shower. Let yourself be pampered by the lovely staff of four and enjoy the magic of one of the finest cooks in Vallarta. This villa can also be rented with an extra child's room at additional cost.
