This magnificent 12,000 sq.ft. luxury villa offers 4 master suites with ensuite baths with views of Banderas Bay, the city and the pool area. There is also a separate one bedroom apartment over the two car garage. The villa is located about five minutes south of the city of Puerto Vallarta and situated on a hill overlooking Playa Amapas, one of Puerto Vallarta's most popular beaches. The villa is located at the end of a cul-de-sac and has complete privacy. The commanding views from this majestic villa overlook the entire Bay of Banderas and the city and are enjoyed from every bedroom and from the expansive terraces surrounding the villa. The villa was architecturally designed to provide complete privacy and is one of the most unique villas in Puerto Vallarta. The interior design is rustic, yet elegant, evoking the spirit of old Vallarta with high wood beamed ceilings. Some of the amenities include air-conditioning in all bedrooms, a library, two gas fireplaces, spacious commercial kitchen, sound system, and a complete water purification system. The expansive terraces provide plenty of space for entertaining on a grand scale including weddings, family reunions, private retreat or whatever your entertaining needs may be.
