

CASA LA VISTA
Puerto Vallarta, Mexico

\$1,875 HIGH - 16 Oct. - 15 May - **5 Bedrooms**
\$1,500 LOW - 16 May - 15 Oct. - Max **10 Persons**

This architectural masterpiece has a commanding view of the Bay of Banderas and overlooks Mis-maloya Beach where the famous movie “The Night of the Iguana” was filmed. This spectacular 8,900 sq. ft. villa radiates refinement throughout. The Casa la Vista has five bedrooms, all with king beds, and five and a half bathrooms and appointed with custom made furnishings and artifacts from throughout Mexico. There are two master suites, one on the upper entry level and one on the lower floor. Every bedroom opens to the ocean with terraces, private marble bathrooms and walk-in closets. The master suite boasts his and her walk-in closets as well as a trio of balconies with a secret place - a private hideaway platform beach. The beautiful Primavera wood cabinets surround the sleek gourmet kitchen with granite countertops. This beautiful villa is fully air-conditioned, fully appointed with surround-sound stereo, TV’s and VCR’s, and is fully staffed. This spectacular villa also includes an enormous rooftop sun deck, heated infinity pool with swim up bar & Jacuzzi, gym, Internet hook up with phones in every room, two car garage, servant’s quarters with kitchen and laundry.
