Perched above charming old town of Puerta Vallarta this newly contemporized house accommodates up to ten guests with a wonderful staff to pamper you during your Mexican holiday. Raquel Brooks, long term resident and art dealer, has blended intimacy and charm into Casa Tabachin by decorating the three-level home with artworks from her famous Vallarta gallery and special commissions by national artists.

This beautiful home is located in the famous Gringo Gulch area, where Elizabeth Taylor and Richard Burton resided for many years on the hill behind the Cathedral of Guadalupe, overlooking Banderas Bay and the city. Casa Tabachin features 5 beautifully decorated bedrooms and 5 1/2 bathrooms all with air-conditioning ceiling fans and TV's. The Master Suite is located on the upper level with the Jacuzzi/splash pool. Three bedrooms are located on the entry level and a one bedroom suite on the lower pool level with it's own bathroom and kitchen and living room. Some of the other amenities include a Stereo system upstairs and downstairs with speakers on the patios, private chef and two maids to pamper you throughout your stay.
